Chris,

If you built at least one glider for another company in 2014 then you would qualify. Please list any gliders you assembled for outside clients in these "Sales" column and make a note on your letter that you assembled them for a client. The send the updated letter to me.

We have build gliders for people that ordered them and had them delivered to us but it wasn't a sale. We were hired to assemble them.

Chris,

To qualify for the EPA small business glider regulation provisions you must have sold at least one glider to another company in 2014. The small business glider regulations are in 40 CFR 1037.150(t). Here is an excerpt from the regulation that clearly states this:

§1037.150 Interim provisions.

(t) *Glider kits and glider vehicles.* (1) Glider vehicles conforming to the requirements in this paragraph (t)(1) are exempt from the Phase 1 emission standards of this part 1037 prior to January 1, 2021. Engines in such vehicles (including vehicles produced after January 1, 2021) remain subject to the requirements of 40 CFR part 86 applicable for the engines' original model year, but not subject to the Phase 1 or Phase 2 standards of 40 CFR part 1036 unless they were originally manufactured in model year 2014 or later.

(i) You are eligible for this exemption if you are a small manufacturer and you sold one or more glider vehicles in 2014 under the provisions of §1037.150(c). You do not qualify if you only produced glider vehicles for your own use. You must notify us of your plans to use this exemption before you introduce exempt vehicles into U.S. commerce. In your notification, you must identify your annual U.S.-directed production volume (and sales, if different) of such vehicles for calendar years 2010 through 2014. Vehicles you produce before notifying us are not exempt under this section.

Here is a link to the complete regulation section if you would like to read it.

Chris,

I only need the letter on the second page of the document you sent. On that letter please add the full company name, address and phone number. Also please add the number of gliders sold each year to outside companies.
